

Schedule A

Oklahoma Supplemental Rebate Agreement

Offer Type: _____

Preferred Drug List Status Requirements

The following products will be placed on the preferred drug list in the appropriate Tier level for their product class. Products may only be rebated down one tier level. These products listed below will not be disadvantaged in any way to other single source, branded agents in the same class.

**Each drug product/family will need a separate Schedule A.*

9 Digit NDC	Brand Name	Strength	Unit of Measure	Dosage Form	Guaranteed Net Unit Price (GNUP)

GNUP shall be used to calculate the Supplemental Rebate per Unit. Calculation shall be $WAC^1 - GNUP - CMS\ Rebate^2 = Supplemental\ Rebate\ per\ Unit.$

The quarterly Supplemental Rebate Payment will be calculated as the Supplemental Rebate per Unit multiplied by the number of units eligible for reimbursement under this agreement.

The Supplemental Rebate per Unit will change each quarter as a function of the CMS rebate and the WAC.

¹ WAC as defined in Article III, Section 3.24 of this Agreement

² CMS Rebate is CMS Basic Rebate as defined in Article III, Section 3.6 plus any CMS CPI Rebate as defined in Article III, Section 3.7 of this Agreement.
